ANDREI BEKKER (b. 1957)

Born in Perm, central Russia, Bekker studied at both the Serov and Repin Art Institutes in Leningrad. Graduating in 1983, Bekker began to exhibit at major exhibitions throughout the country. His futuristic and imaginative canvases in a very short space of time have not only found their way into major Soviet museums, but also into private collections both in Western Europe, America and Tel Aviv.

156.	Final	1989	<i>Oil on canvas</i>	55" × 56"
